SECOND REQUEST FOR CORRECTED FILING RECEIPT

SIR:

The United States Patent and Trademark Office continues to have a cavalier attitude regarding the correct filing date for this patent application.

Enclosed as Exhibit A is a copy of the "Updated Filing Receipt" mailed by the USPTO on September 26, 2002, which again repeats the error as to the filing date. Incredibly, the USPTO mailed this Updated Filing Receipt almost two months after the USPTO itself in its Decision on Petition mailed July 29, 2002 (copy enclosed as Exhibit B) admitted that the correct filing date is October 29, 2001.

For the above reasons, the USPTO is once again requested to issue a Filing Receipt with the correct filing date.

Respectfully submitted,

date of signature : Oct. 10, 2002
